	Thermostat TK32-40°C manual	Surface, bimetallic thermostat with manual reset. 40°C, 16A/230V.	111100016	>100	**1,26**
	Thermostat TK24-150°C automatic	Surface, bimetallic thermostat with automatic reset. 150°C,16A/230V.	111100028	>100	**0,84**
	Elektromechanical room thermostat TEM 16	Room thermostat. +10°C...+30°C, 16(2,5)A/230VAC.	121100006	>10	**8,09**
	Programmable TEM 3TD series touch screen thermostat for 3 speed fans	Programmable touch screen thermostat with weekly programming is intended for 3 speed fans. +5°C...+35°C, 3A/230VAC.	121100002	1	**25,00**
	Frost protection thermostat FT 6.0 (-15°C..+15°C)	Thermostat with a temperature measuring capillary 6 m. length, for the protection of water heaters against freezing. 16(4)A 230VAC.	233100008	>20	**20,02**
	SW3 3 steps switch for 2 speed fans	SW3 3 steps switch for 2 speed fans. The operational speed step switch can manually adjust the speed of electrical motors/fans.	122100010	>20	**7,61**
	Electronic controller REC16 for electric heating	REC16 - electronic controller for electric heating.	132400029	>20	**34,30**
	Electronic controller REC16MB for electric heating	REC16MB - electronic controller for electric heating with RS485 MODBUS protocol.	132400035	>5	**35,80**
	Air damper actuator without spring return with 0-10VDC control signal 227C-024-05	Air damper actuator without spring return with 0-10VDC control signal. 24VAC/VDC, 0-10VDC, 5Nm.	123100022	2	**54,37**
	Air damper actuator without spring return 227S-024-05E	Air damper actuator without spring return. 24VAC-VDC, 5Nm.	123100024	2	**41,77**
	Air damper actuator without spring return 227S-230-05-S1	Air damper actuator without spring return. 230VAC, 5Nm, with rear position contact.	123100117	1	**66,21**
	Air damper actuator without spring return 227-230-10	Air damper actuator without spring return. 230VAC, 10Nm.	123100062	5	**50,87**
	Air damper actuator without spring return 227-230-15	Air damper actuator without spring return. 230VAC, 15Nm.	123100021	1	**51,08**

The offer is valid while the products are in stock.
The quantity of products is limited.
Quality products.
Warranty 2 years.

	Air damper actuator with spring return, with 0-10VDC control signal 341C-024-05	Air damper actuator with spring return, with 0-10VDC control signal. 24VAC/VDC, 0-10VDC, 5Nm.	123100116	3	**89,98**
	Air damper actuator with spring return 341-230-03	Air damper actuator with spring return. 230VAC, 3Nm.	123100026	>5	**55,28**
	Air damper actuator with spring return 341-230-05	Air damper actuator with spring return. 230VAC, 5Nm.	123100027	5	**73,20**
	Air damper actuator with spring return 361-024-10	Air damper actuator with spring return. 24VAC/VDC, 10Nm.	123100015	3	**91,31**
	Air damper actuator with spring return 361C-024-10	Air damper actuator with spring return. 24VAC/VDC, 0-10VDC, 10Nm.	123100115	3	**95,71**
	Differential air pressure relay SR 500	SR.. - differential air pressure relay.	215200006	>100	**3,93**
	Differential air pressure relay SR 500K with accessories	SR..K - differential air pressure relay with accessories.	215200007	>100	**4,95**
	Differential air pressure transducer LF108 500Pa	Differential air pressure transducer. 30VDC, 0-5VDC, 0-10VDC, 4-20mA.	313100008	5	**37,83**
	Differential air pressure transducer LF110 500Pa with display	Differential air pressure transducer with display. 30VDC, 0-5VDC, 0-10VDC, 4-20mA.	313100010	3	**43,87**
	Frequency inverter VT1000S-0R4G	Frequency inverter VT1000S 0.4KW/230V/IP20 for pumps and fans, a current 2,5A.	313100087	2	**114,04**
	Frequency inverter VT1000S-0R7G	Frequency inverter VT1000S 0.75kW/230/IP20 for pumps and fans, a current 5,0A.	313100060	>5	**77,64**
	Frequency inverters VT1000T-0R4G	Frequency inverter VT1000T 0.4kW/400/IP20 for pumps and fans, a current 1,5A.	313100091	>5	**96,16**
	Frequency inverter VT1000T-7R5G	Frequency inverter VT1000T 7.5kW/400/IP20 for pumps and fans, a current 17,5A.	313100063	1	**240,41**
